

BEST PRACTICES 2016-17

Human existence depends upon compassion and curiosity leading to knowledge. Our Institution envisions a Life Oriented Education that empowers students to take responsibility in every socially relevant issue. The institution pays special attention to inculcate values in the students at every opportunity. Our college was envisioned as an educational institution that will be an inspiration and guiding force to mould, enlighten and empower generations. The college has always kept in mind its vision to empower students to respond to every issue in society in a positive way. With this purpose in mind our Institution organizes events:

- To create leadership development opportunities for students and to foster a commitment to social and civic responsibility
- To foster social responsibility among students, whereby we can transmit appropriate values, traditions, skills and cultural norms to the next generation
- Encourage students to bring changes through group action.

BEST PRACTICE 1: VALUE BASED INITIATIVES (VBI)

1. Title of the practice : VALUE BASED INITIATIVES (VBI)

2. The context that required the initiation of the practice :

It is the mission of our Institution to provide education to the downtrodden sessions of society, thereby uplifting them and instilling in them the capability to shoulder responsibilities and turn out to be better citizens of the future. The values upheld by our Institution are grounded on the teachings and philosophies of the great Sree Narayana Guru, which is mainly to provide help to the weaker sessions in our society and community at large.

3. Objectives of the practice :

Students are equipped with knowledge of values through various programmes including seminars, talks, awareness programmes, club activities, important day celebrations, religious festivals, health and physical education classes etc.

1. To develop in students universal values
2. To realize the need for self-esteem, self-discipline and spiritual intelligence
3. To spread the vision of our institution that is based on the teachings of the Guru
4. To inculcate the quality of punctuality
5. To extend to the society the values inculcated through education.

4. The Practice:

SNM TRAINING COLLEGE has a long tradition of promoting values among students. Value based education is imparted through morning assembly, seminars based on values, national festivals, religious festivals, club activities, awareness programmes, health and physical education activities etc. Our morning assembly has been developed to encourage pupils to reflect upon a set of universal values, such as love, peace, truth, co-operation and respect. These values act as the foundation not only for religious education but for the development of personal, social and health education, citizenship and the spiritual, moral, social and cultural aspects of the curriculum. In other words they underpin the institutional values and the whole of the curriculum. It acts as a medium for communicating matters of significance from one generation to another. We include prayer, health tips, daily news, quiz, yoga, and discussion on social issues, thought for the day, motivational videos in our morning assembly. For the achievement of our mission and goals of the institution we put emphasis on the observance of punctuality, timely submission of assignments, well planned academic and nonacademic schedules. Records of the students related to cultural functions, field visits, study tours, sports, seminars, important day celebrations etc are documented. Every documentation follows the steps like-goals, procedure, outcome of the respective event.

As part of Sree Narayana Academy of Value Education (SAVE), a seminar was organised by SNM Training College, Moothakunnam on 18/08/2016. The session was headed by Dr. Rajan Kottapuram, renowned local Educationist, orator and social worker on the theme 'Life history of Sree Narayana Guru, his contributions in educational and social upliftment'. He delivered a detailed talk on thoughts and philosophy of Sree Narayana Guru and its relevance in the present day world.

A class was conducted in the month of November 2016 by Sri Rishi Raj Singh IPS, Kerala Excise Commissioner on 'Anti Drug awareness'. It was attended by the secondary school students of our practice teaching schools. The class was very relevant and informative.

On January 23, 2017, students of SNM Training College Performed street play in SNM TTC Campus & also Performed in Moothakunnam junction during Camp under the guidance of Smt.Saritha . They have found a way learning to channelize their inner creativity and also make a difference. Creating awareness through street plays based on socially relevant topics, these youngsters are preaching in disguise of entertainment on social issues like drug de-addiction, gender equality. Street play could create awareness to public on social issues as it is turning out to be a very effective medium to reach out to the masses

A visit to an old age home was organized on 18/02/2017. The visit helped our students to understand the issues of old aged helpless people of our society. It helped to develop empathy, feeling of compassion, etc in the minds of our students.

4. Obstacles faced if any and strategies adopted to overcome them :

Organizing a street play in our local junction was a tedious task. Yet the people of our locality cooperated well to conduct the program successfully.

6. Impact of the practice :

This practice helped to instill social values and responsibility in our prospective teachers. Through these they could show their social commitment as nation builders. These practices acted as a platform for knowledge sharing and value inculcation for both teachers and students.

BEST PRACTICE 2: SOCIAL RESPONSIBILITY INITIATIVES (SRI)

1. Title of the practice: SOCIAL RESPONSIBILITY INITIATIVES (SRI)

Our college inculcates social value and responsibilities to the faculty members and students by imparting extension activities in the neighborhood for holistic development of the society and rendered social services to the community. It aims at the involvement of students on a voluntary basis in various activities of social service and national development which while making a contribution to socio-economic progress would also provide opportunities to the students to understand and appreciate the problems of the communities. Social activities in college give the opportunity to observe how other people act in these situations. It gives an opportunity to see

behaviors that we want to emulate or behaviors we wish to avoid. Throughout these observations and experiences, you can learn new ways to handle yourself in social situations. These skills will benefit you as you pursue a career and engage with people who interest and inspire you. Often, such activities provide the students with opportunities to develop leadership, social responsibility, citizenship, volunteerism, and employment experience. It aims at developing amongst students a sense of participation in nation building through Social Work. The college has always kept in mind its vision to empower students to respond to every issue in society in a positive way.

2. The context that required the initiation of the practice:

Our college is situated in a rural society which needs much upliftment in all sectors of life. Even Though many educational facilities are provided in our locality, parents are unaware of the current happenings in society. In order to inculcate environmental consciousness, reading habit, health practices and parenting we have arranged programmes.

3. Objectives of the practice:

1. To extend help to disadvantaged people of the area.
2. To help people equip themselves with various skills like doll making
3. To inculcate the sense of social commitment in students
4. To develop values like caring, compassion and sacrifice.
5. To develop the sense of universal brotherhood in students.
