

Institutional Distinctiveness 2018-19

The distinctiveness of SNM Training College lies in its vision that is to be enlightened through education- which is based on the teachings of the great Sree Narayana Guru. Importance is given to the values of Universal Brotherhood and Charity. In order to achieve this, various programmes like hair donation, Chekutti doll making, seminar on educational philosophy of Sree Narayana Guru, Class on plastic-free earth, anti-drug awareness programme, planting of new trees on Environment Day, talk on misuse of social media platforms, seminar on Curricular Reforms, theatre workshops etc. were held during the academic year.

Our college inculcates social value and responsibilities to the faculty members and students by imparting extension activities in the neighborhood for holistic development of the society and rendered social services to the community. It aims at the involvement of students on a voluntary basis in various activities of social service and national development which while making a contribution to socio-economic progress would also provide opportunities to the students to understand and appreciate the problems of the communities. The social commitment also exhibited through the extension activities like Career Exhibition 2018-19 for nearby High School and Higher Secondary school students, Visit to Sreenarayana Sevika Ashram to extend a helping hand by donating an amount for the developmental activities of the old age home run by the ashram and to give a chance to refresh the minds of the old people in the ashramam, Back to eco friendly world, Knowing the unknown, Reviving with Colours Renovation of Anganwadi, Making of cloth pouch: class to Kudumbasree Members, kesadanam-Snehadanam, Chekkutti doll making workshop etc. Through extension and outreach programs, we sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems by making them to engage with the community people. Through this, we establish a good liaison and join hands with local community organizations and serve the community. Students with profound interest attain the social values and responsibility. Above all, the students get hold of social justice, value, responsibility and sustainability. The extension activities initiated by our institution helped our students to become responsible persons in society to show their social Commitment as a future teacher

The prospective teachers of our Institution were familiarised with global trends in technology and environmental education. Environmental consciousness was created by making the campus eco-friendly and plastic free, which in turn helped to reverberate the idea of environmental consciousness.

Our vision is to equip the teacher trainees to propagate the idea of educating the pupils for liberation from ignorance and superstitions. The main focus of the institution is always on the progress and prosperity of the locality and backward community by providing quality education for all.
